MEET OUR DOCTOR

Dr. Kitzya Lopez is a dedicated specialist in Obstetrics, Gynecology, and Reproductive Medicine, committed to helping individuals and couples achieve their dream of parenthood. With a strong academic foundation and a deep passion for reproductive health, she combines advanced medical knowledge with compassionate patient care.

She completed her Subspecialty in Human Reproductive Biology at the UMAE Hospital de Ginecología y Obstetricia, Centro Medico Nacional de Occidente, endorsed by the University of Guadalajara.

Prior to this, she completed her Specialty in Obstetrics and Gynecology at the same institution (2019-2023) and earned her Bachelor's Degree in General Medicine from the University of Guadalajara (2012-2017).

Throughout her career, Dr. Lopez has been dedicated to staying at the forefront of reproductive medicine, continuously enhancing her expertise in assisted reproductive technologies (ART), fertility preservation, and minimally invasive gynecologic procedures. Her commitment to excellence ensures that each patient receives personalized, evidence-based fertility treatment tailored to their unique needs.

Beyond her professional achievements, Dr. Lopez is known for her empathetic approach and ability to connect with patients during what can often be an emotionally challenging journey.

As a valued member of LIV Fertility Center, Dr. Lopez works closely with a multidisciplinary team to provide cutting-edge fertility solutions while ensuring the highest standards of care. Her goal is to make every patient's journey toward parenthood as smooth, supported, and successful as possible.

Believe in Fate. Believe in Love. Believe in LIV.
